### **Industry Leaders Forge a Strategic Alliance to Provide State-of-the-Art Solutions to Complex Publishing Challenges**

**AUSTIN, Texas — November 19, 2009** — WebWorks.com, a brand of Quadralay Corporation, the leading developer of publishing platform solutions for single-source delivery of online content, today announced that Antéa, a leading technical documentation services and solutions company, joined its Partner Program as a Platinum level Channel Partner covering the French market. Together, WebWorks.com and Antéa offer their clients an unparalleled depth of expertise to solve complex corporate publishing challenges.

The strategic alliance between WebWorks.com and Antéa will increase the availability of the WebWorks ePublisher Platform in the growing French market. WebWorks ePublisher supports single-source publishing of content to multiple online delivery formats.

Antéa has been involved in a reseller partnership with Quadralay Corporation since 1995 and has experienced the various technology improvements of the early WebWorks Publisher desktop solutions. “We have been very pleased with the evolution from the desktop solution to the enterprise level capabilities of the last ePublisher Platform,” said Alberto Franzetti, Antéa’s President. “This improvement is important to us because it meets our strategic goal to deliver our customers comprehensive corporate content publishing solutions. Joining WebWorks.com Partner Program as a Platinum level Channel Partner now provides the appropriate alliance for successful customer implementations.”

“Antéa’s reputation as a first-class provider of products and services in the French market, combined with their enthusiasm and insightful views on the industry, made them a natural partner,” said Alan J. Porter, VP of Operations at WebWorks.com. “We welcomed the opportunity to upgrade our existing working relationship and are delighted to sign Antéa on as a Platinum level Channel Partner. We strongly believe that this new level of partnership will not only benefit each of our companies, but will be in the best interest of our mutual clients as well.”
