Tedopres International Joins WebWorks.Com Partner Program

Industry Leaders Forge a Strategic Alliance to Provide State-of-the-Art Solutions to Complex Publishing Challenges

AUSTIN, Texas — November 3, 2008 — WebWorks.com, a brand of Quadralay Corporation, the leading developer of publishing platform solutions for single-source delivery of online content, today announced that Tedopres International, a leading provider of controlled authoring software and documentation services, joined its Partner Program as a Preferred Services Partner. Together, WebWorks.com and Tedopres International offer their clients an unparalleled depth of expertise to solve complex corporate publishing challenges.

The strategic alliance between WebWorks.com and Tedopres will include projects for joint customers to implement environments that will effectively utilize the WebWorks ePublisher Platform to support single-source publishing of content to multiple online delivery formats, and Tedopres' HyperSTE software for controlled authoring.

“It is important for Tedopres to be able to offer our worldwide customers comprehensive solutions in all aspects of publishing,” says Tedopres Director of North American operations, Berry Braster. “As such, a partnership between WebWorks.com and Tedopres will benefit our mutual and new customers in all aspects of technical documentation, including controlled authoring, translations, and now online publishing with the WebWorks.com leading online publishing tool ePublisher.”

“Tedopres International’s reputation as a first-class service provider as well as their industry-leading expertise in the fast-growing field of controlled authoring technology categorized them as an attractive partner for us,” said Tony McDow, Quadralay’s CEO. “We welcome the opportunity to upgrade our existing working relationship into a formal partnership, and strongly believe that this new partnership will not only benefit each of our companies, but will be in the best interest of our mutual clients as well.”
